

"I like the rabbits. I like to play and paint. When I go to school I always get a hug!" ~ quote from LVPPP student

"It's been exciting to see the transformation my daughter has gone through in the past 3 years at LVPPP. From a shy little girl who had trouble sharing to a bright, compassionate young lady with a passion for learning - and I got to experience it all with her. I learned how fulfilling it is to be part of another child's life, not just your own; but all the wonderful kids that make us remember what living should be about." ~ quote from LVPPP parent

Dear Friend of La Verne Parent Participation Preschool,

I realize these are difficult times and you may already be involved with other schools that have needs. Nevertheless, I am asking you to consider the value of our preschool to this community. For nearly forty years we have served area families guided by two basic beliefs: parents are the single most important factor in a child's education and preschool children learn best through interactive play. Parents contribute actively to the success of our students by participating in the classroom, by helping with maintenance, and by playing a substantial role in administration. Not only does such participation assist in reducing our costs, we believe it helps build stronger familial and community relationships.

In October we will be holding our annual Halloween "Carnival" and in December we will have our Christmas program. These are the largest events we hold throughout the school year. During these events, we will be holding a raffle as a part of our efforts to raise money for our school to help pay for various capital improvements and educational materials which enhance our students' learning experience. To make this successful, we would appreciate your donation of an auction item or service from your business. Not only will your generous donation help us reach our goals, but the participation of your business in our auction may help to generate additional exposure in our community.

Since La Verne Parent Participation Preschool is a 501-C3 non-profit, tax exempt organization, your generous contribution is tax-deductible as permitted by IRS law. I have included a 2009 auction form for you to fill out and mail or fax back to me once you decide what you would like to contribute. Please feel free to contact me with any questions. If needed, we will arrange to pick up the item at your convenience. As a participant in our campaign, you will receive recognition in our school newsletter. If you would like to send a few business cards or a few pieces of literature, we will display them at the raffle alongside your donation.

We invite you to be part of our school and community to help us make a change that will benefit our young people. Thank you for your consideration of our request.

Sincerely,

Lisa Oler
Donations Coordinator
